Faith, Art & Ageing

‘Painting is the grandchild of nature. It is related to God.’ (Rembrandt)
Join us to think about what we can learn about faith and ageing through art - although absolutely no appreciation of art or ability to draw is required! We’ll share ideas on the value of non-verbal forms of communication, reflect on images of older people in art – challenging some of the stereotypes we might find on the way – and try out a practical form of praying through art. You’re never too old to try something new!
